

# SAINT MARY CATHOLIC SCHOOL

A Middle States Accredited School

Building the Faith One Student at a Time  
Office of the Principal, Kevin Conwell

**"You were taught to be made new in your hearts,  
to become a new person....Made to be like God  
– made to be truly good and holy."**

*Ephesians 4:23-24*

Dear St. Mary Families,

I hope that everyone is having a terrific beginning to the summer of 2017 and that it brings much joy and connection to God.

A couple things to keep our students focused over the summer would be; 1) **read and write every day** keep the brain growing and developing; 2) **be creative** every day, do not let your children get caught in the rut of doing the same thing every day; 3) **pray every day** and make sure to get to **Mass on Sunday**.

**Summer Math Packets** for Grades 5-8 have been placed in the Report Card envelopes for completion over the Summer.

**Families Moving On** - We always say good bye and good luck to our 8<sup>th</sup> graders every June, but some of them also take their families along. We know that we will continue to see everyone at Mass, however when the youngest St. Mary family member moves on, we know that so do their families. Much to do in High School and College! These times move so much quicker than your time at St. Mary School. Good luck to the following families as they also move on from St. Mary Catholic Elementary School!!

*Behrens, Bruce, Collins, Collura, DeLorenzo,  
Klepacki, Loy, McCausland, McHugh, Menges,  
Miles, Perez, Rigby, Ritchie, Timlin*

**You will always be in our prayers!**

*Perfect*

*Attendance*

The following students have managed to make it to school every day this past year. *Congratulations* on this accomplishment!

Grade 8

**Isabella Ardizzi  
Daniel Baker**

Grade 7

**Ryan Ferdock  
Joseph Frattone**

Grade 6

**Alexia Swartz**
