While each class oversees these events, we encourage others to sign up to assist as well. In addition to the HASA board, we have established subcommittees this year to promote and foster the relationships and communication. We are always looking for FUN adventures for our students and teachers/staff.

It takes time, finances, creative ideas and volunteerism in order for Saint Mary HASA to continue to provide these events. We ask for an annual \$35 HASA membership fee for the 2023-2024 school year. Your funds cover most of the above expenses. We also plan to organize other fundraising opportunities and may ask for small donations at times.

HASA Membership fee for 2023-2024 school year is \$35 and can be automatically withdrawn from your FACTS account by our SMS Business Manager with your written permission. Membership fees can also be sent through school in an envelope labeled HASA FEES. Please complete the below and send into school or scan the QR code to become a member.

I, _____ give permission to SMS Business Manager, Kathy Wasniewski to withdraw a one-time \$35 HASA Membership Fee from my FACTS account.
